The Little Mermaid lived in a castle at the bottom of the sea with her 5 sisters and her father, the Sea King.

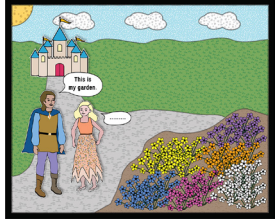

One day, the Little Mermaid saw a Prince. He was sailing on his ship in the sea. She fell in love.

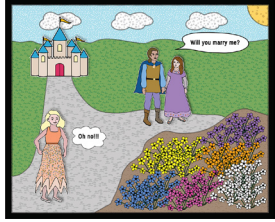

A terrible storm broke the ship apart. The Little Mermaid saved the Prince. She sang to him until he woke.

The Little Mermaid wanted to walk on land with the Prince. The Sea Witch gave her legs but took away her voice.

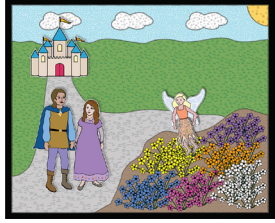

The Little Mermaid walked with the Prince by his garden. She could not talk to him! She could not sing to him!

The Prince found a beautiful Princess to marry. The Little Mermaid was very sad.

The Little Mermaid could not go home to the sea. She could not live in the water, now.

The Little Mermaid is a fairy in the garden. She watches over the Prince and Princess, living happily ever after.
